## VISIONARY EXECUTIVE AND OPERATIONS STRATEGIST

### LEADING BUSINESS TRANSFORMATION WITH A FOCUS ON VALUE CREATION

As a seasoned IT executive and U.S. Army veteran, I'm enhancing my business acumen through an Executive MBA, focusing on stepping into operator roles within portfolio companies. I've led high-impact teams with budget responsibilities exceeding \$50M, consistently delivering exceptional outcomes aligning with the mission and bottom line. My leadership is adaptive and strategically aligned with organizational objectives, positioning me to effectively lead business transformation, optimize operational efficiencies, and unlock shareholder value.

- Strategic Operations Leadership
- Portfolio and Program Oversight
- Talent Development and Leadership
- Risk Management and Cybersecurity
- Stakeholder Engagement
- P&L Management (>\$50M)

## PROFESSIONAL EXPERIENCE

**THE ENVIRONMENTAL PROTECTION AGENCY**, Washington, D.C

**2023-Present**

### Information Management Officer

- Counseled C-Suite and Senior Information Officers, driving technological innovation and spearheading digital transformation projects within the Office of Water.
- Bridged the gap between IT experts and technical program teams, serving as a critical subject matter expert.
- Orchestrated strategic overhauls of IT operations and programs, boosting operational efficiency by 30% and slashing costs by 15%.
- Strengthened risk posture by conducting comprehensive IT and data assessments.
- Scanned emerging industry trends to formulate strategies, accelerating project timelines and enhancing operational efficiency by up to 50%.

**CGI**, Fairfax, VA

**2020-2023**

### Director Consulting Services

- Drove 25% revenue growth by implementing a cloud-first strategy, boosting P&L by 20%.
- Oversaw a \$50M program with three task orders, leading a 30-member team to deliver 95% of projects on time and under budget.
- Elevated client satisfaction by 30% through insightful digital transformation strategies.
- Achieved 15% YoY growth by identifying and capitalizing on new business opportunities.
- Fueled a 40% uptick in internal promotions through targeted coaching and mentorship.
- Secured a cybersecurity contract recompile, increasing the total contract value by 40%.

**TECHQUO**, Broadlands, VA

**2020-2023**

### President

- Directed and executed client-centric digital transformations through TechQuo, a minority-owned Service-Disabled Veteran-Owned Small Business (SDVOSB).
- Swiftly accelerated client time-to-market by architecting tailored Software as a Service (SaaS) and Platform as a Service (PaaS) solutions in a hybrid multi-cloud infrastructure.
- Advised and guided clients in achieving Federal Risk and Authorization Management Program (FedRamp) compliance for Government Off-The-Shelf (GOTS) products, generating new business opportunities.
